

SAVE THE DATE

Pediatric Sleep Day 2019 will be held on **Friday October 18TH**, Friday after Thanksgiving. This will be the **11th year anniversary** of this educational event.

Venue: Giovanni room, Chestnut Residence and Conference Centre, 89 Chestnut Street, Toronto Ontario, M5G 1R1.

This year, the theme of Pediatric Sleep Day 2019 will be to focus on sleep in genetic disorders in children.

A few of the proposed talks are:

- History and evolution of pediatric sleep medicine
- Sleep in genetic disorders and neurodevelopmental disorders
- Dental treatments in pediatric sleep disordered breathing
- Neurological aspects of pediatric sleep medicine
- Disorders of Hypersomnolence

This event will be submitted for approval for accreditation for Continuing Education Credits by the University of Toronto (MOCOMP/MainPro Plus) and the American Association of Sleep Technologists (AAST CEC).

We hope you will join us. **The Program and Registration Form will be sent to you shortly.** As in previous years, you will be able to attend in person or via Telehealth or Webcasting.

For any questions or concerns, please contact the Pediatrics Sleep Day staff by e-mail to pediatricssleep@gmail.com.

Conference Organizers: Dr. Miqdad Bohra, Dr. Azmeh Shahid and Julia Glowinski
